Dear Ms Robinson,

I am writing to inform you that the gate to the Westmoreland Street entrance will be permanently closed from 2 January 2018.

1 – 68 Chartridge is now vacant and will soon be transferred to the contractors; the area will be closed off from the rest of the site.

All remaining residents are nearer the Portland Street entrance. We will retain the 2 security guards on site, 1 will be stationed at the Portland Street gate and the other will be responsible for patrols.

If you need further information or assistance regarding any other issue please contact me on the number or email above.

Yours sincerely,

Adelola Dairo
Resident Services Officer
