

- 3.6 The building heights strategy for the masterplan area proposed 2-4 storeys buildings across much of the area with 7-10 storeys along Thurlow Street and Albany Road. There will be some taller buildings to mark important locations with the tallest 15-20 storeys at the junction of Thurlow Street and Albany Road as shown in figure 3.

Figure 3: 3D Model showing proposed building heights on the Aylesbury Estate
